Libra | Lepus

TR

Her büyüklükteki market, süpermarket ve hipermarketler için optimum çözümler sunan duvar reyonları Libra ve Lepus; şarküteri, süt, sebze meyve ve ambalajlı et ürünlerinin teşhiri için mükemmel birer seçimdir. Zengin renk seçeneklerine sahip kusursuz modüler yapılarıyla üç farklı derinlik opsiyonu bulunan Libra ve Lepus tüm mekanlara uygun dekoratif çözümler sunar. İsteklerinize bağlı olarak gondol başı modülleriyle mağazanızda duvar reyonu adaları yaratabilirsiniz.

EN

By finding optimum solutions for stores of any size, Libra and Lepus are the perfect choices for vertically displaying dairy, pre-packed meat or fruit & vegetable products. The perfectly matched modular units with various colour options will help you decorate your space by forming attractive lines of wall cabinets. And for the most demanding customers, you can even have multideck islands by using the crown end units. Depending on the size of your space, Libra and Lepus come in three different widths.

FR

Permettant des solutions optimales pour des magasins de toute dimension, Libra et Lepus répondent parfaitement à vos besoins d'exposition de la crèmerie, de la viande préemballée et des fruits et légumes. Les longueurs idéalement adaptées, avec des options variées de couleur vous aideront à personnaliser votre espace en formant des lignes colorées des verticaux libre service. Pour les plus exigeants, des îlots verticaux sont disponibles grâce à l'emploi des têtes de gondole. Libra et Lepus existent en trois différentes largeurs, en fonction de l'espace disponible.

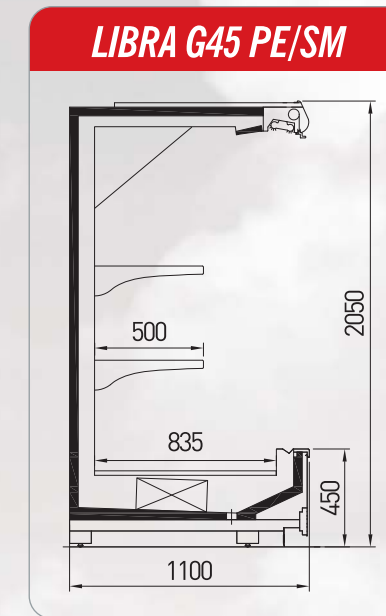

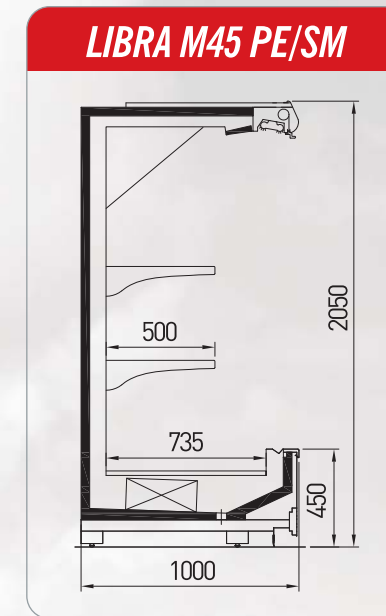

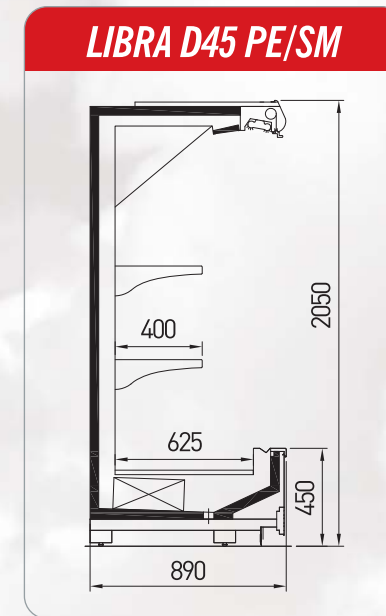

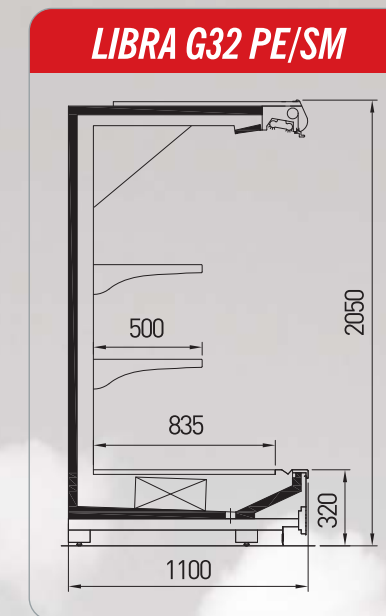

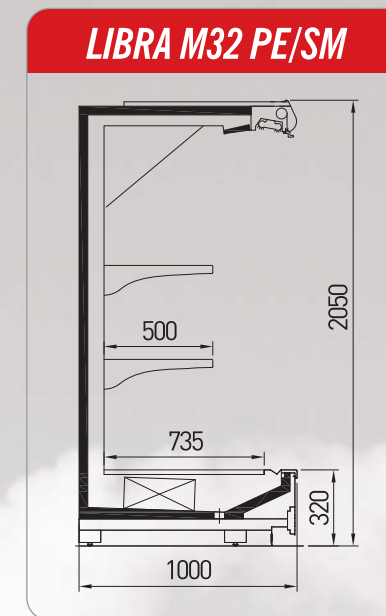

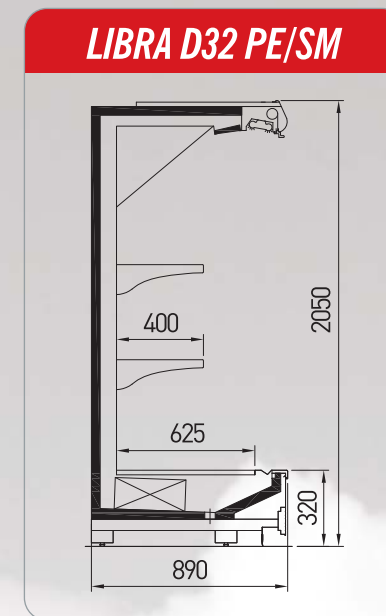

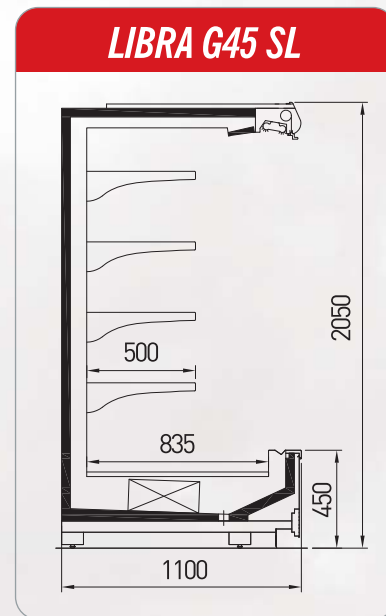

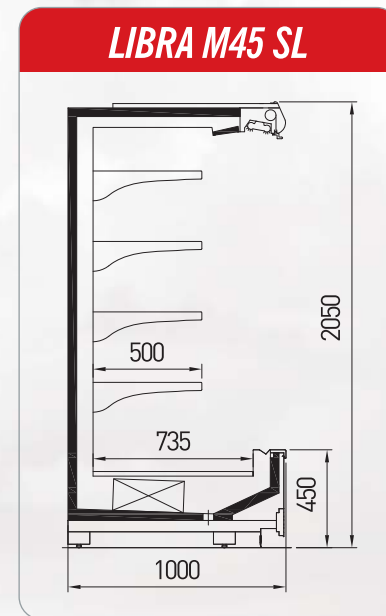

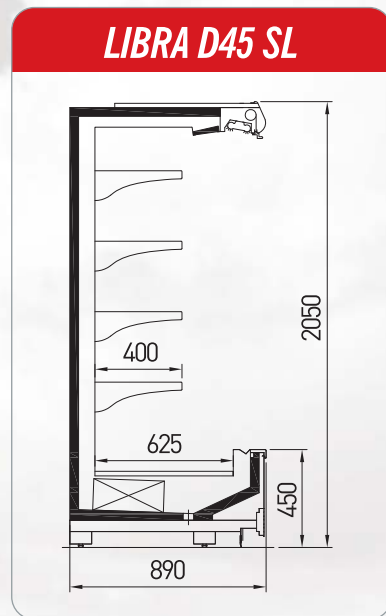

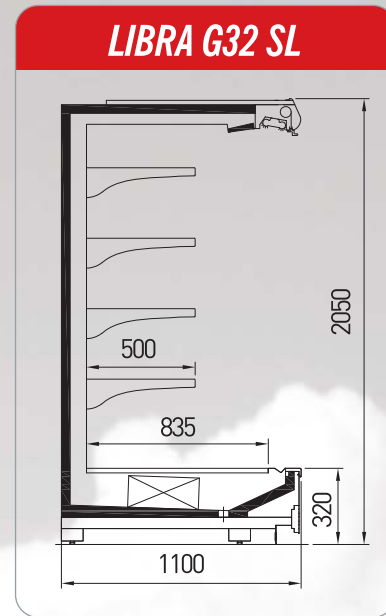

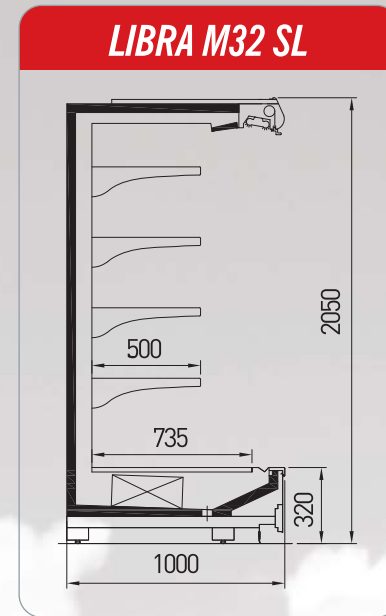

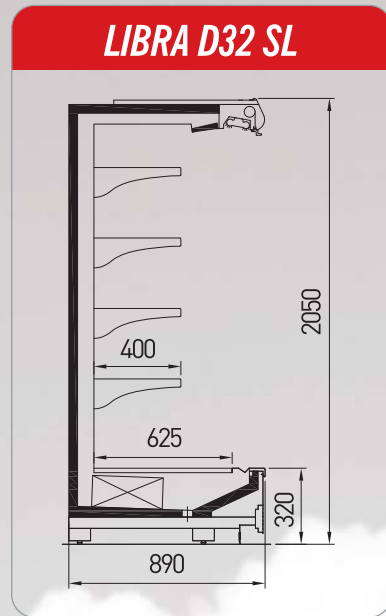

DE

Die Wandkühlregale Libra und Lepus mit 3 verschiedenen Korpusweiten und den vielfältigen Farbvarianten sind durch die modulare Bauweise eine hervorragende Wahl für die Präsentation und den Verkauf von Molkereiprodukten, Wurstwaren, verpacktem Fleisch sowie Obst und Gemüse. Die Regale bieten eine elegante und zweckmäßige Lösung für Märkte jeder Größe. Auf Wunsch lassen sich mit Kopfteilen auch Inselstellungen realisieren.

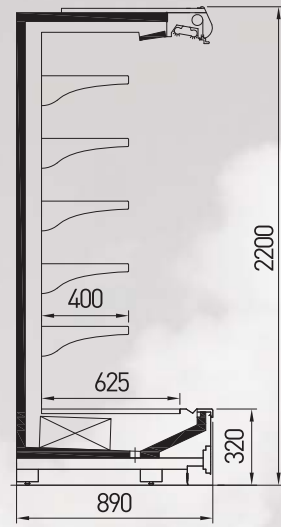

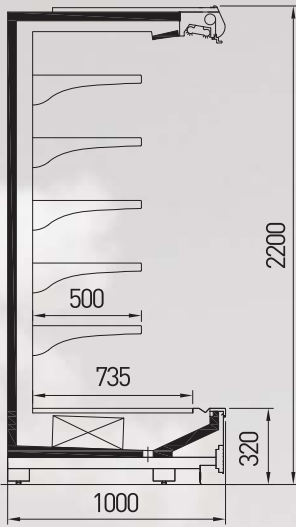

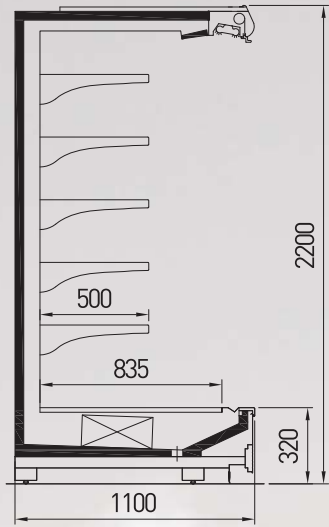

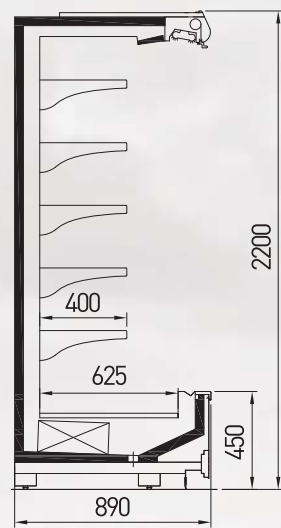

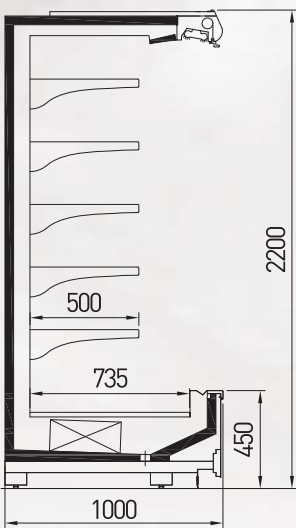

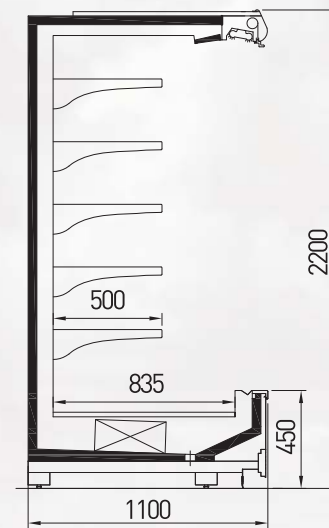

RU

Предлагая оптимальные решения для магазинов различного формата, Libra и Lepus являются идеальным выбором для хранения жиромолочных продуктов, мясных полуфабрикатов, а также фруктов и овощей. Безупречное соединение модулей в единую линию и широкий выбор цветов оборудования позволят Вам стильно оборудовать торговое место, выстраивая яркие линии пристенных горок. Для наиболее взыскательных заказчиков предлагаются торцевые секции для возможности выстраивания островных систем. В зависимости от размера Вашей торговой площади, Libra и Lepus предлагаются в трех вариантах ширины.
